

DREAM

HIGH SCHOOL

DREAM is East Harlem's community-based, public charter school, where all students recognize their potential and realize their dreams.

A DREAM EDUCATION PROVIDES:

- **A PATH TO COLLEGE** DREAM offers a rigorous academic curriculum, high expectations, and a strong system of supports designed to ensure that our scholars have the knowledge, skills, and habits necessary to succeed in college and beyond. At DREAM every young person has a champion, or advisor, who helps to identify their strengths and areas of growth, and support them in achieving their goals.
 - **A SAFE AND INCLUSIVE ENVIRONMENT** Every scholar at DREAM Charter School is known, loved, and valued. From a personal handshake from the principal every morning, to participation in a "House" that supports scholars through thick and thin, DREAM is a school where all scholars can thrive.
 - **PERSONALIZED LEARNING** At DREAM, every scholar receives a laptop to use throughout their day to take notes, do research, and engage in classroom learning. DREAM offers a strong system of supports including Learning Specialists who ensure that each lesson is designed to reach every scholar and their unique learning needs.
 - **STUDENT VOICE AND CHOICE** DREAM is raising the next generation of community leaders and encourages scholars to develop their own voice and advocate for their needs. Scholars actively participate in our Student Government and assist in the design and implementation of school activities.
 - **EXTRACURRICULAR ACTIVITIES AND SUMMER OPPORTUNITIES** At DREAM scholars have an opportunity to pursue their interests and become well-rounded individuals. Whether playing a team sport, competing with the debate team, or participating in step competitions, DREAM encourages scholars to have active minds and active bodies community members.
